Custom designed block \$ 150 extra. Quilt Trails' designer retains the copyright of all custom designed blocks, but you get unlimited use of it. This is a non-refundable fee.

Tax rate in Yancey County is 6.75%

NOTE: Only 2', 32" and 4' blocks can be hung on point. 64" and 8' blocks are quartets.

A check for at least half must accompany the application. Blocks are not released until completely paid for. Make your check to Quilt Trails.

Price does NOT include installation. We can provide you with names and phone numbers of people who know how to install the blocks in Mitchell and Yancey counties. We will also supply you with written directions.

If out of the area, you must pick up or pay for shipping.

Tax does not apply if you live outside North Carolina.

Don't know the design you want?
No problem. Figure your price on the "less than 50 sections" amount. If the design you end up with is more than 50 sections, we will notify you and adjust your total accordingly. We can help you find just the right block to tell your story, or, if we can't find one, can design one for you if you so desire. Use *The Encyclopedia of Pieced Quilt Patterns* by Barbara Brackman to search for a block...available in all libraries in Mitchell and Yancey counties or you can order it from Amazon.com.

Price of block: _____
Custom design: _____

Total: _____

Shipping will be added later if we need to ship it to you. Make your check to Quilt Trails for at least half the amount.

Please allow at least 3 months for the painting of your block. More, if it is complex.

*What's a section? Every part of the block that is separate from other areas is referred to as a section. More complex designs, designs with curves or designs that are being painted to match a family quilt take longer to tape and paint and thus cost more. Blocks with curves cannot be taped, but must be freehand painted.

In making this request, you agree to accept the following conditions and requirements:

- I/We will work with Quilt Trails regarding design and colors of the proposed quilt square.
- The block cannot be my company logo, nor can the installed block be used as my company logo. There must be at least 2' of blank space around the 4', 64" and 8' blocks, and 1' around the smaller blocks when installed..
- The Quilt Square must remain on the building at least five years.
- Once the block is signed off on, no changes may be made to the block and I will not move or alter the quilt block in any way without first contacting Quilt Trails. I understand that if I move to a new location the quilt block remains with the site where it is originally installed. A new location requires a new block. I cannot take the quilt block with me UNLESS it is painted to match a family quilt or is a custom-designed block.
- I will allow my barn/building to be photographed by the public and photos to be used by Quilt Trails in advertising of the quilt trail. I will allow my name and/or my business name to be used on advertising and promotional materials.
- I agree to indemnify and hold harmless the Quilt Trails of Western North Carolina Corporation as well as its officers, committees, agents and employees for and against any and all claims, liabilities, losses and causes of action related to the quilt block.

Please give us the info below as it will help us find a block for you and start writing your story (use more paper if necessary)

What is the history of your house/land/building?

Are you retired?

If so, what did you do before you retired?

What are your favorite activities? Hobbies?

What are your thoughts about the Quilt Trails project?

- Would you like us to design a block that reflects your interests or the history of the land/building?

Do not hesitate to call or email us with your questions. We want you to love your quilt block. You get to approve the design and the colors and you can tell us what colors you want used in case the block needs to match your house. Sending paint chip colors is helpful. We will send you designs via email, or snail mail if you prefer. We will send you a list of the paint that will be used so you can pull the paint chips to double check the colors. You can see blocks we have custom designed in the block list on our website. From the home page, click on the Block List tab. All blocks with a star beside them have been custom designed.
